Adverting to Government Order No L 1428-30/M1 96-43-42 dated 9th August 1944, approving the proposal of the Sanitary Board High School Committee to start teachers on the intermediate stages of pay in the grade of Rs 40-4-60, the maximum starting pay to be given being Rs 48/- and not exceeding Rs 52/- in special cases, tentatively for a period of one year, I have the honour to state that the power of starting teachers in the intermediate stages of the grade Rs 40-4-60 in the Sanitary Board High School granted to the President tentatively for a period of one year, has expired The Secretary of the School Committee states that the circumstances that led to the fixing of higher rates of starting pay as above, continue to prevail even now and that in view of the higher rates of pay, viz , Rs 52/- and even Rs 60/- offered elsewhere, teachers appointed in the school work for some time and soon after they get better chances elsewhere resign their appointments in the school and go away with the result that off and on, the Management is put to the difficulty of securing hands for the High School resulting in considerable dislocation of work in the school Further, it is stated that five teachers of the school recently appointed (two of whom since resigned) have given a representation requesting that they may also be given

p t o

given a starting pay of Rs 52/- per month as against Rs 48/- per month now allowed to them The Managing Committee of the school in their special meeting held on 26th July 1946 discussed the subject and after careful consideration of all aspects of the question have resolved that the benefit of the Government Order of 9th August 1944 may be continued as long as the Dearness Allowance lasts and that a starting pay of Rs 52/- uniformly to the teachers of the school both to the present incumbents as well as to those to be appointed hereafter may be given Copy of the resolution of the Managing Committee is herewith submitted

In the circumstances stated above, I recommend that Government may be pleased to sanction the proposal of the Managing Committee of the Sanitary Board High School to give a starting pay of Rs 52/- in the grade Rs 40-4-60 uniformly to both the present incumbents as well as those to be appointed hereafter
